

# Unison Electricity Distribution Line Charges

## Hawkes Bay pricing region

### Effective 1st April 2011

Disclosure pursuant to the Electricity Distribution Information (Information Disclosure) Requirements 2008. Unison is responsible for the design, development and maintenance of the electricity lines network that delivers power to homes and businesses in the Hawke's Bay and Central region. Unison's electricity lines charges are a component of the electricity account you will receive from your electricity retailer. These charges are not the same as the electricity retail charges that appear on consumer accounts. Retail charges include other costs, such as energy purchases, that are repackaged by retailers into electricity retail tariffs. Other lines and Use of System charges or conditions may also apply. Please refer to www.unison.co.nz for the full Unison Pricing Schedule. GST is additional to all listed charges. If you have any questions or would like more information on these charges, please contact your electricity retailer.
